Condizioni generali di vendita

General sales conditions

1 - ORDINI

La trasmissione di un ordine vale quale proposta di contratto. Speedybycasma Srl provvederà a trasmettere conferma d'ordine in caso di accettazione con indicazione dei prezzi, dei termini di consegna e pagamento etc. La conferma d'ordine dovrà essere restituita controfirmata. L'evasione dell'ordine con invio della merce equivale ad accettazione e determina la conclusione del contratto anche in assenza di conferma d'ordine.

2 - PREZZI

Il prezzo applicato è quello risultante dal listino prezzi vigente alla data dell'ordine. I prezzi si intendono al netto dell'Iva, franco stabilimento. Speedycasma Srl può variare a propria discrezione il listino, senza alcun particolare obbligo di informazione.

I prodotti in catalogo senza indicazione del prezzo sono da considerarsi prodotti speciali per i quali il prezzo deve essere di volta in volta concordato con la parte venditrice. Lo stesso vale per i prodotti fuori catalogo realizzati su precisa indicazione dell'acquirente per far fronte a sue specifiche esigenze.

3 - CONSEGNA

La consegna avviene franco fabbrica.

L'accettazione del materiale senza riserve al momento della consegna non darà diritto ad alcuna sostituzione o risarcimento. In assenza di precise indicazioni dell'acquirente la merce verrà inviata al destinatario con un vettore scelto dalla venditrice. Le spese di trasporto, assicurazione ed ogni altro onere relativo all'invio della merce è a carico dell'acquirente. Il rischio relativo alla merce passa in capo al cliente nel momento della consegna della merce al vettore.

I termini di consegna hanno valore indicativo, riflettendo condizioni normali di produzione suscettibili di variazione in fase di produzione della merce. I termini concordati in ogni caso decorrono dalla data della conferma d'ordine trasmessa da Speedycasma Srl. Nel caso in cui sia previsto il versamento di un acconto, i termini di consegna decorrono dal momento della ricezione di tale importo da parte del venditore.

I ritardi nelle consegne, da qualsiasi causa dipendenti non danno diritto al risarcimento di danno alcuno. Ove il trasporto debba essere effettuato da vettore designato dal compratore, la merce dovrà essere ritirata presso i magazzini entro 15 gg, dalla data di comunicazione di merce pronta.

In difetto, Speedycasma Srl potrà ritenere risolto il contratto non pregiudicando il diritto alla richiesta di risarcimento dei danni.

4 - MODALITA' DI PAGAMENTO

Il pagamento dovrà essere effettuato alle scadenze concordate ed indicate nella conferma d'ordine e nella successiva fattura. Speedybycasma Srl ha facoltà di chiedere il versamento di un acconto all'ordine. Qualora l'ordine venga annullato o la merce non venga ritirata, o ritirata solo in parte, la somma versata quale acconto verrà trattenuta dalla Speedycasma Srl quale penale ex art.1382 c.c., fatto salvo il diritto alla richiesta di risarcimento di ulteriori danni.

Il ritardo nel pagamento rispetto alla scadenza pattuita determina automaticamente l'applicazione di un interesse di mora pari all'interesse legale maggiorato del 2%. In caso di ritardo nel pagamento Speedybycasma Srl potrà sospendere tutti gli ordini da evadere sino al momento del pagamento. I termini per le consegne relative ad ordini sospesi decorreranno dalla data del saldo del debito scaduto, con facoltà per Speedycasma Srl di rivedere i termini di pagamento concordati all'atto dell'accettazione della proposta.

5 - CONTESTAZIONI E GARANZIA

Speedycasma Srl garantisce (direttiva 1999/44/CE), che il prodotto è esente da difetti di fabbricazione, garantisce altresì il corretto funzionamento per la durata di due anni dalla data di acquisto. Al momento dell'arrivo della merce l'acquirente dovrà verificare la regolarità della stessa. Eventuali vizi palesi del prodotto devono essere denunciati per

iscritto entro 8 gg dalla consegna a pena di decadenza. Lo stesso termine vale per i vizi occulti con decorrenza dal momento della scoperta. In ogni caso, eventuali contestazioni devono pervenire non oltre un anno dalla consegna. La venditrice, ove il vizio denunciato nei termini di cui sopra, sia effettivamente dovuto a vizio di produzione e non piuttosto al normale deterioramento per uso, negligenza, imperizia o abuso da parte dell'acquirente o dei suoi aventi causa, manomissioni o riparazioni effettuate da personale non autorizzato, caso fortuito o forza maggiore, provvederà gratuitamente a sostituire il prodotto difettoso accollandosi esclusivamente i costi del trasporto dello stesso fino alla sede dell'acquirente-rivenditore. Eventuali costi o danni ulteriori non potranno essere addebitati a Speedycasma Srl. Speedybycasma Srl garantisce solo ed esclusivamente il prodotto fornito nei suoi componenti e non risponde d'uso improprio, in caso d'installazione e/o montaggio non conformi alle istruzioni date o non eseguite a regola d'arte. L'installatore professionista dovrà quindi tenere conto ed osservare scrupolosamente quanto specificato nelle schede tecniche e nelle istruzioni di montaggio, avendo cura di rispettare gli spessori vetro specificati e di effettuare una corretta esecuzione delle tacche e dei fori nel vetro, secondo le norme vigenti. Dovrà essere a cura dell'acquirente/installatore la verifica dell'integrità del prodotto e della sua conformità. In caso di difetti constatati dovranno essere comunicati per iscritto al rivenditore.
