INFORMACION GENERAL

El objetivo de este catalogo es el de facilitar a nuestros clientes una información útil para identificar las transmisiones cardan y las piezas de recambio necesarias para efectuar una reparación o construir un cardan completo.

No deberá ser considerado como un catalogo de aplicación o dimensional y su contenido será puramente orientativo. Para más detalle le recomendamos contactar con nuestro departamento técnico o distribuidor. Cardyfren S.L. no se responsabilizará de cualquier aplicación incorrecta que no haya sido aprobada por escrito. Este catalogo no recoge la totalidad del producto del que dispone Cardyfren S.L. sino lo más representativo, por lo que les recomendamos que contacten con nosotros para cualquier consulta o articulo que no hayan localizado.

Todas las dimensiones están expresadas en milímetros (mm.) y algunos valores son aproximados o han sido redondeados a una cifra.

Cardyfren S.L. no se responsabiliza de los errores u omisiones eventuales que hayan podido darse durante la confección de este catalogo.

Cardyfren S.L. se reserva el derecho de modificar los datos y el contenido de este catalogo sin previo aviso.

El uso de códigos o números de referencias de equipo original es solo para información y motivos comparativos.

GENERAL INFO

The aim of this catalogue is to facilitate a useful information to our customers in order to identify cardanshafts and their components necessary to carry out a repair or to construct a complete universal joint.

It will not have to be considered as a catalogue for application or exact dimensions and its content will be purely guiding. For more details, we recommend you to contact our technical department or our distributor.

Cardyfren, S.L. does not take responsibility of any incorrect application that has not approved in writing.

The present catalogue does not gather the totality of the products which Cardyfren, S.L. has, but the most representative, for what we kindly request of you to contact us for any consult or article you may not have located.

All the dimensions are expressed in millimeters (mm) and some values are brought near or rounded to a number.

Cardyfren, S.L. does not take any responsibility of the mistakes or eventual omissions that may have occurred while confectioning the present catalogue.

Cardyfren, S.L. reserves itself the right to modify the information or content of the catalogue without previous notice.

OE and Original Part Numbers and references are for information and comparison purposes only.
