DATA

ITEM NO.	30063
WEIGHT	1,09 kg
DIMENSION	L 305 mm x DM 83 mm
CHARACTERISTICS	Water soluble, non-flammable, and biodegradable
EAN-CODE	9120045472301

ADVANTAGES

- Not flammable!
- Economical to use
- No sticking, colour- and odourless
- Very good sliding and lubricating effect
- Water soluble

DESCRIPTION

RUNPOTEC liquid cable lubricant reduces the friction resistance enormously. This makes it easier to pull in cables and wires during electrical installation and also protects against cable damage. Application: Apply RUNPOTEC liquid cable lubricant to the cable or inside of pipe. Also highly effective for pushing in cable insertion systems. Product features: Non-flammable, water soluble and biodegradable. Low consumption, no sticking. Caution: Seal after use, store in a cool and dry place. Contact with live parts must be avoided Risk of short circuit! Can cause allergic reactions.

For instructions see safety data sheet!

Scope of supply: 1 x Cable lubricant liquid 1000 ml
