

ILAM Desktop

ALL-IN-ONE DIGITAL LAMINATOR

ALL-IN-ONE. ONE-OF-A-KIND.
LAMINATES, ENCAPSULATES AND FOILS.

2-sided laminator.
Easy - to-use and fast set up.
Up to 3.000 meters size rolls

Double side
LAMINATION AND
DIGITAL FOILING
FOR UNIQUE **finishing**

I LAM Desktop

It is the ultimate in functionality: a solid, quiet, all-in-one laminator that gives so much — single- and double-sided lamination and digital foiling.

Thanks to its form factor, it fits in anywhere yet stands out everywhere! And if you're looking for extra flexibility, our multi-universal cone film charger will allow you to use the smallest film to industrial one.

APPS

Single side thermal lamination // Double side thermal lamination // Digital foiling // Digital spot varnish // Floor varnish // Encapsulation // Single side cold lamination

And compatible with: Xerox // HP // Konica Minolta // Canon // Ricoh // Kodak.

We offer compatibility tests. We keep updating validations on latest digital printing engines. Contact us anytime for trials!
